RE: Notice and Affidavit of Repudiation of Legal Presumptions and Contracts

I, Dean-Chester: Robertson, a living man, hereby present this Affidavit of Repudiation for the purpose of repudiating and revoking any and all presumptions, assumptions, or alleged contracts, whether explicit or implied, between myself and any governmental agency, corporate entity, or officer thereof, that seek to bind me to obligations through the artificial legal construct known as "DEAN CHESTER ROBERTSON" or any derivative thereof.

This repudiation includes, but is not limited to:

1. All adhesion contracts formed without full disclosure and wet-ink consent, including any alleged agreements formed by registration, licensing, applications, or presumption;
2. All claims of suretyship or liability over the aforementioned trust estate or legal fiction;
3. All presumed jurisdictional claims founded upon statutory or corporate law, including traffic codes, income tax schemes, and administrative statutes not explicitly agreed to in full knowledge, intent, and lawful capacity.
